John Hoeft, Al Labelle, Clarence Stoel, Steve Leopold, Dick Marbes, Roger Dorman, John Kleindienst and I attended midwinter conference this year in D.C. A number of great seminars and speakers were part of the programs. Tuesday we meet with the congressional staffs from Wisconsin and introduced our talking points. They were received very well I thought. Later that afternoon the National Commander Barrera gave his presentation about the state of veterans affairs RE: Independent Budget for FY 2011.

It was an honor to attend this conference and hope that you look to [dav.org](http://dav.org) for additional information.
